Part 3

Terminology

- | | |
|--------------------------------|--|
| A Working yarn | Yarn connected to the ball of yarn. |
| B Top loops of a stitch | Where you usually insert the hook, to start the next stitch. |
| C Yarn tail(end) | End of yarn not connected to the ball of yarn. |
| D Single crochet stitch | The main stitch used in amigurumi. |
| E Round | A series of crochet stitches in a circle.
This illustrated crochet piece is made of 4 rounds. |

Abbreviations

This pattern is written in US terminology

ch	chain stitch	tr	treble crochet
sc	single crochet	ss	slip stitch
inc	increase	st	stitch
dec	decrease	BLO	through back loops only
hdc	half double crochet	FLO	through front loops only
dc	double crochet		

(,,,) work all instructions in the brackets as many times as directed

[,,,] work all instructions in square brackets into the same stitch

Part 4 ►

The instructions to make your very own doll.

What stitches to do in this round, and how many times

For round 4, repeat the pattern in the brackets for 6 times. The pattern is: single crochet in each of the first 2 stitches, then increase stitch in the next stitch. Because an increase is actually 2 single crochet stitches in the same stitch, the total number of stitches in this round is 24.
